FROM THE EDITOR'S DESK

“PAST THAT INSPIRES, PRESENT THAT PERFORMS, FUTURE THAT SUSTAINS”

Every school has a story. Ours is one of courage, creativity, and quiet revolutions — shaped by each learner, every teacher, and countless defining moments.

As we celebrate seven glorious years of Indo Scots Global School on Founders' Day, we pause not just to look back, but to look within. These years have been filled with joyful classrooms, bold ideas, curious minds, and a dedicated team walking hand-in-hand with every child's dream.

What better way to honour this journey than by celebrating our true energy — our learners — through “Talentia 2025,” One Talent, One Stage, where soulful songs, graceful dances, dramatic flair, and colourful expressions lit up the stage. Each performance whispered proudly: We are more than marks; we are makers of meaning.

This spirit of creativity and purpose beautifully aligns with our focus on SDG 7 – Affordable and Clean Energy. In a world seeking change, our learners are stepping up — crafting solar models, leading discussions, and envisioning greener futures. They're not just learning sustainability — they're living it.

INTERNATIONAL TIGER DAY

ISPS celebrated International Tiger's Day with a creative puppet show, presented by teachers using a handmade carton-box theatre. Through engaging storytelling, our preschoolers learned about the importance of protecting tigers and conserving wildlife.

The session ended with a heartfelt pledge to care for animals and nature, planting the seeds of compassion and responsibility in young hearts.

At ISPS, even the smallest voices are nurtured to make a powerful difference.

KEEP THE ROAR ALIVE!

Indo Scots Global School observed International Tigers Day on 29th July 2025 with a special assembly to raise awareness about tiger conservation. Students of Grade 5B delivered an informative speech on the declining tiger population and India's efforts under Project Tiger. A skit by learners showcased the impact of deforestation and poaching on wildlife. The event concluded with a heartfelt pledge, inspiring students from Grades 6-9 actively support conservation efforts and become responsible guardians of the environment.

TALENTIA 2025: ONE TALENT, ONE STAGE

From Wonder to Wisdom, a Celebration Across Every Age

TALENTIA 2025 was not just a showcase — it was a living, breathing celebration of who we are as a learning community. From tiny, twinkling stars in Pre-Primary to the confident voices of Grade 10, the event embraced the spirit of One Talent, One Stage. It wasn't about mastery. It was about magic — the magic of courage, of trying, of stepping forward and saying, "This is me." With no coaching or performance training, learners brought their natural spark — and the result was a festival of authenticity, joy, and pure expression. TALENTIA gave every learner, from our youngest to our seniors, the space to explore and express — on their own terms.

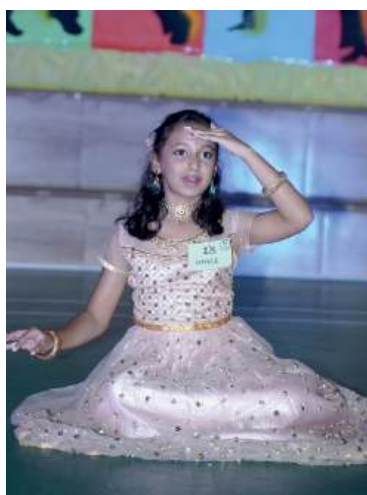

THE PULSE OF PERFORMANCE: WHERE EVERY VOICE FOUND A STAGE

The Performing Arts segment of TALENTIA 2025 was a vibrant celebration of confidence, creativity, and cultural expression. Learners from Pre-Primary to Grade 10 lit up the stage with dynamic Dance performances, soulful Singing, and melodious Instrumental Music — all prepared and presented independently.

Rangmanch ke Sitare brought drama alive through powerful monologues and skits, while Comedy ka Tadka filled the air with laughter through witty, learner-scripted acts. Kavita ki Udaan added depth with heartfelt poetry recitations, and Shloka Chanting offered a serene, spiritual rhythm to the event.

The stage also saw expressive storytelling in Tales That Talk, the quirky challenge of the Tongue Twister, and impressive balance in Juggling Acts. The delightful Puppet Show combined craft with character, drawing applause for its originality.

A standout moment was Ramp pe Swag, the fashion show with a purpose — where learners walked the ramp showcasing outfits themed on the Sustainable Development Goals (SDGs), merging style with social awareness.

THE COLOURS OF CREATIVITY

Where hands spoke the language of the heart

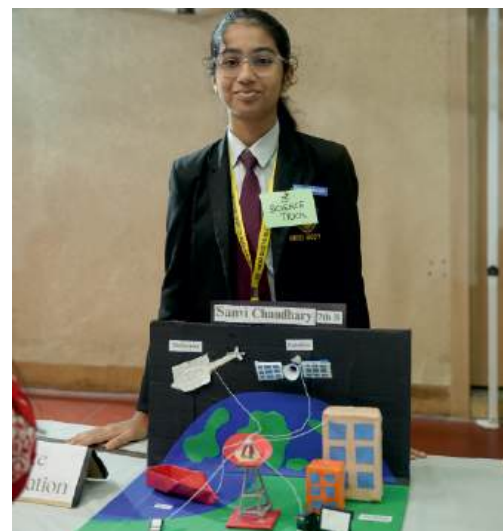

The Creative Arts segment of TALENTIA 2025 turned the school into a vibrant gallery of self-expression and imagination. Learners from across all grades explored art in its purest form — without instruction, guided only by their ideas and instinct.

Raangon ka Raag brought canvases to life with colour and emotion, while Clay Modelling gave shape to imagination through thoughtful, three-dimensional creations. Junk se Jugaad impressed all with ingenious items crafted from discarded materials, redefining the idea of creativity with purpose.

Elegance and intricacy shone through in Nail Art, Mehendi, and Jewellery Designing, where learners used fine detail to craft beauty with care. The campus bloomed with charm through delicate Floral Decorations, while Quilling and Origami showcased patience, precision, and pattern play.

The age-old tradition of Rangoli Design added cultural vibrance, with learners blending symmetry, colour, and creativity in stunning floor art.

THE MIND IN MOTION

Innovation, intellect & inner strength

The Innovative & Intellectual Talent segment of TALENTIA 2025 celebrated learners who think, build, solve, and move with purpose. It was a showcase of sharp minds, quick reflexes, and disciplined bodies — all working independently to push personal limits.

The spotlight shone on young coders in Bits & Battles, where learners created engaging games and apps through Coding & Game Design. Meanwhile, others amazed the audience with quick solving of the Rubik's Cube, brain-teasing Puzzle Challenges, and clever Math Tricks that turned numbers into magic.

The Science Demonstrations displayed curiosity in action — from experiments to explanations, all presented with clarity and confidence. Logical strategy took centre stage in intense Chess matches, while strength and control were on full display in graceful Gymnastics and power-packed Karate demonstrations. The high-energy Hula Hoop performances added rhythm, balance, and fun to the mix.

BRUSHES OF BRILLIANCE

On-the-Spot Artistry at Talentia

At Talentia, creativity met courage as learners embraced the thrill of on-the-spot drawing challenges. With no time to plan, only instinct and imagination guided their hands—turning surprise topics into powerful visual stories. Each stroke reflected raw talent, quick thinking, and fearless expression. From whimsical dreams to bold visions of the future, their artwork was more than beautiful—it was brave. In those fleeting minutes, our young artists proved that true creativity doesn't wait. It rises, it responds, and it creates.

CELEBRATING OUR TALENTIA STARS

A Showcase of Brilliance

Congratulations!!
